Re: Receipt of State Waste Discharge Permit
Permit No. ST0045505

Dear Mr. De Vries:

Your application for a State Waste Discharge Permit was received by this office on March 24, 2016 and accepted as complete on October 6, 2016. Your current permit has an expiration date of October 18, 2016. Renewal of your permit is in process; however, the permit will not be issued by the expiration date.

RCW 90.48.200 explains what satisfies the requirement for filing a permit application. Therefore, as RCW 90.48.200 and WAC 173-216-070 provide, your Temporary Permit will remain in effect until your State Waste Discharge permit is issued, or for up to five years, whichever occurs first. Compliance with your previous permit, together with any changes requested in your permit application, will constitute compliance with the temporary permit. You are also required to comply with all water pollution laws and regulations

If you have any questions regarding the permit process, please contact Monika Kannadaguli at (425) 649-7028 or Email at mkan461@ecy.wa.gov

Sincerely,

Tricia Miller
