**RE: Conditional No Exposure Exemption – Granted
CNE Number CNE126497**

Dear Jason Pettit:

You applied for Conditional No Exposure (CNE) Exemption on September 25, 2013.

A Washington State Department of Ecology (Ecology) inspector has determined that your site is eligible for CNE Exemption. Ecology has granted your CNE Exemption.

If there is a change at the facility that results in the exposure of industrial activities or materials to stormwater, you are required to immediately apply for and obtain a permit (Industrial Stormwater General Permit Special Condition S1.F.1.d). Ecology may also conduct a site visit in the future to verify that pollutants are not exposed to stormwater at your site.

Federal regulations require you to reapply for CNE Exemption once every five years. Ecology plans to notify you when it is time to reapply, so please let us know if your contact information changes.

If you have questions about this decision, please contact Greg Stegman of Ecology's Northwest Regional Office in Bellevue at greg.stegman@ecy.wa.gov, or (425) 649-7019.

Sincerely,

Bill Moore, P.E., Manager
