RE: Cheney WWTP – Permit No. WA0020842
Reclaimed Water Engineering Report

Dear Mayor Trulove:

The Department of Ecology (Ecology) APPROVES the City of Cheney's Reclaimed Water Engineering Report received on September 26, 2016. This approval is in accordance with RCW 90.46, RCW 90.48.110, and Chapter 173-240 WAC.

The City of Cheney (Cheney) must notify this office immediately of any proposed changes or revisions to the approved documents. Cheney must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved document to Ecology for review and approval. Additionally, Cheney must maintain copies of the approved engineering report, plans and specifications, operations and maintenance manual, permit, and Discharge Monitoring Reports onsite at your facility.

Ecology's review and approval of this document only assures compliance and consistency with the appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. Cheney should not consider this approval as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Lucy Peterschmidt at (509) 329-3408 if you have any questions or need additional information about this approval.

Sincerely,

James M. Bellatty
Section Manager
