ORDER GRANTING
INTERVENTION

13 Puget Soundkeeper Alliance has challenged the Sand and Gravel General Permit (Permit)
14 issued by the Department of Ecology. The Washington Aggregate and Concrete Association has
15 moved to intervene in the appeal. The Association is a non-profit industry trade association
16 representing sand, gravel, quarry rock, cement, ready mix concrete, related businesses and
17 suppliers in the state of Washington. The association and its members have expressed interests
18 that are impacted by the challenges to the Permit Puget Soundkeeper Alliance raises in the
19 appeal. The existing parties in the case do not oppose the intervention.
