RE: City of Spokane Combined Sewer Overflow Annual Report 2015 - Permit No. WA0024473

Dear Mr. Conklin:

The Department of Ecology (Ecology) APPROVES the City of Spokane's (City) Combined Sewer Overflow Annual Report 2015 dated September 30, 2015. This approval is in accordance with Permit No. WA0024473 Section 13.B, WAC 173-245 and 59 FR 18688.

The City must notify this office immediately of any proposed changes or revisions to the approved documents. The City must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved package of documents to Ecology for review and approval. Additionally, the City must maintain copies of the approved documents on-site at your facility in Spokane, Washington.

Ecology's review and approval of these documents only assures compliance and consistency with the NPDES Permit conditions, appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. The City should not consider this approval as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Diana Washington at (509) 329-3504 if you have any questions or need additional information.

Sincerely,

James M. Bellatty
Section Manager
Water Quality Program
