Re: State Waste Discharge Permit Application  
Permit No. ST0007436

Dear Mr. Tosaya:

Your application for a State Waste Discharge Permit was received by this office on December 2, 2016 and accepted as complete on January 23, 2017. Your current permit has an expiration date of June 29, 2017. Renewal of your permit is in process; however, the permit may not be issued by the expiration date.

RCW 90.48.200 explains what satisfies the requirement for filing a permit application. Therefore, as RCW 90.48.200 and WAC 173-216-070 provide, your Temporary Permit will remain in effect until your State Waste Discharge permit is issued, or for up to five years, whichever occurs first. Compliance with your previous permit, together with any changes requested in your permit application, will constitute compliance with the temporary permit. You are also required to comply with all water pollution laws and regulations

If you have any questions regarding the permit process, please contact Jeanne Tran at (425) 649-7078 or Email at [jtra461@ecy.wa.gov](mailto:jtra461@ecy.wa.gov)

Sincerely,

Tricia Miller
