Re: National Pollutant Discharge Elimination System (NPDES) Permit Renewal  
Permit No. WA0032174

Dear Dana Bostwick:

The Washington State Department of Ecology (Ecology) acknowledges receiving a NPDES permit renewal application for Marine Fluid Systems, Inc. on June 12, 2017. The application has been reviewed and accepted as complete on June 14, 2017

Your current NPDES permit has an expiration date of December 14, 2017. Renewal of your permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-220-180(5), your current permit and its terms and conditions are administratively extended and will remain in effect and enforceable until Ecology issues a new permit and it becomes effective.

If you have any questions regarding the application or the development of your renewal permit, please contact Robert Nolan at (425) 649-7197 or Email at [rnol461@ecy.wa.gov](mailto:rnol461@ecy.wa.gov).

Sincerely,

Tricia Miller
