RE: Application for Renewal of State Wastewater Discharge Permit No. ST0501278 for Iron Horse Brewery

Dear Mr. Parker:

The Department of Ecology (Ecology) issued Permit No. ST0501278 for the discharge of treated process wastewater from Iron Horse Brewery to the City of Ellensburg Publicly Owned Treatment Works (POTW). This permit is due to expire on **January 31, 2019**, and requires you to submit an application for renewal.

Completing the Application

Permit application form 040-177 is enclosed. I am also enclosing a copy of your expiring temporary permit and November 19, 2013 application. Application form 040-177 is available on the Ecology website at <http://www.ecy.wa.gov/programs/wq/permits/forms.html>. Please mail the completed application to this office by **January 31, 2018**.

Please complete all of Sections A through J of the enclosed permit application. Please submit any additional information that you feel may help Ecology determine the impact of your discharge upon the POTW.

Section J. Certifications has to be signed by the City of Ellensburg POTW prior to submitting the application to Ecology.

The following document(s) also must be submitted with your renewal application:

- **Updated User Contract (Appendix A) from the City of Ellensburg.**

Signature Delegation

Federal and state regulations (WAC 173-216-070) require applications to be signed as follows:

- For corporation, by a principal executive officer or at least the level of vice president.
- For a partnership or sole proprietorship, by a general partner or the proprietor, respectively.

The principal executive officer may delegate signature authority for submittals required by the permit such as monthly reports to a specific, qualified individual or to a position that Ecology expects is filled with a qualified individual. Please submit a copy of the letter delegating signature authority along with the application for our files.

Submitting the Application

Please mail the **original, signed application** by **January 31, 2018** to:

Cindy Huwe, Permit Coordinator
Department of Ecology
Central Regional Office
