

- Place existing symbols to correct orientation
- Legend on cover sheet
- Silt Fencing
- Vegetative Strip
- Construction Entrance
- Temporary Seeding
- Permanent Seeding
- Inlet Protection
- Clear Limits
- Verify all detail callouts are correctly referenced
- Building and Distances of Property Boundaries
- Control monuments for project information and system labels
- Property survey
- disclaimer, if not surveyed
- ADA sidewalk ramps, & driveway approaches & parking stalls
- STORAGE - crosswalks, no parking signs, stop bars, stop signs
- The boundaries of and label the different soil types.
- Areas of potential erosion problems.
- Any on-site & adjacent surface waters, critical areas, floodplains, FEMA base flood boundaries, & Shoreline Management boundaries.
- Existing unique or valuable vegetation & the preservation of that is to be preserved.
- Stockpile, waste storage, & other storage areas.
- Locations for trailers, storage tanks, or other structures, or ditches.
- Drainage pipes, ditches, or cut-off trenches associated with erosion and sediment control & stormwater management.
- Temporary & permanent slopes & cover.
- Culverts, drainage, and direction of flow in all ditches, swales, culverts, and pipes.
- Details for bypassing off-site runoff around disturbed areas.
- Locations and outlets of any dewatering systems.
- The location of sediment pond/s, pipes & structures.
- Dimension pond berm widths and inside and outside pond slopes.
- The trap/pond storage required and the depth, length, width, and dimensions.
- Typical section views through pond and outlet structure.
- Stabilization technique details for inlets & outlets.
- Control / restrictor device location & details.
- Stabilization practices for berms, slopes, and disturbed areas.
- Road specifications and detail for rock check berm, & ditches.
- Front and side sections demonstrating typical rock check dimensions.
- Project Name
- Sheet Name
- Drawing Scale
- North Arrow
- Drawn By
- Checked By
- Approval Structure block - added for reviewing agency
- Road Names
- Building Distances
- Centerline of Roads
- Turnback, Section, Range
- Spill Check
- Agency Project Number
- Division/Phase
- Boundaries
- Adjoining Plots
- Measure lines to scale is correct
