**Re: Emerald Kalama Chemical, LLC Permit Application Approval – NPDES Permit
No. WA0000281**

Dear Mr. Oyer:

Thank you for your submittal of the National Pollutant Discharge Elimination System (NPDES) permit renewal application for Emerald Kalama Chemical, LLC's (Emerald) permit No. WA0000281. The application is for Emerald's organic chemical manufacturing facility in Kalama, WA. The Washington State Department of Ecology (Ecology) reviewed the updated application (dated June 29, 2018) and supplemental application (dated July 30, 2018).

The information contained in the submittals are adequate to begin drafting the permit renewal. Ecology accepts the application as complete. Ecology may request additional information as necessary to complete the permit.

Please do not hesitate to contact me at (360) 407-6934 or greg.gould@ecy.wa.gov should you have questions.

Sincerely,

Gregory Gould, P.E.
