#### City of Kenmore

The City of Kenmore, 18120 68th Avenue NE, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, West Sammamish Bridge Replacement, is located at 68th Avenue NE, between NE 170th Street and NE 175th Street in Kenmore, in King County.

This project involves 4.5 acres of soil disturbance for replacing the existing western bridge that carries southbound traffic on 68th Avenue NE over the Sammamish River.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:

Department of Ecology  
Attn: Water Quality Program, Construction Stormwater  
P.O. Box 47696, Olympia, WA 98504-7696
