RE: Modification of State Waste Discharge Permit No. ST0009148 for Ste Michelle Wine Estates – 14 Hands Winery

Dear James Warram:

Enclosed is your **Modified Draft Copy** of State Waste Discharge Permit No. ST0009148, which has been modified in accordance with the settlement discussion, held December 5, 2018.

Also enclosed is a copy of the public notice of modified permit describing the changes in the permit resulting from our settlement discussion. The Department of Ecology will publish this notice in the "Legal Classified Section" of the Prosser Record Bulletin on **December 19, 2018**. The Department is required to public notice the changes because the permit requirements in the modified permit are less stringent than those in the original permit. **The public will have 30 days to comment on the changes before the permit can be issued, as changed.** We will keep you informed should any comments be received. Upon completion of the public notice, the Department will issue you a signed final copy of the permit.

Should you have any questions regarding this procedure, please contact Jim Leier at 509/454-4247.

Sincerely,

Cindy Huwe
