

Spurling Court Associates LLLP, Craig Kelly, 700 E Mountain View Ave Ste 501 Ellensburg, WA 98926-4802, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Spurling Court Townhomes, is located at N Rainier Street in Ellensburg in Kittitas County.

This project involves 3.9 acres of soil disturbance for construction activities for a City of Ellensburg street improvements and multi-family residential development associated with affordable housing.

All discharges and runoff goes to ground water.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:
