**RE: Issuance of State Waste Discharge Permit No. ST0501278 for Iron Horse
Brewery, Effective November 1, 2019**

Dear Greg Parker:

Your State Wastewater Discharge Permit No. ST0501278 is enclosed. This Permit satisfies the requirements of state laws. The Department of Ecology issues this permit in accordance with Chapter 90.48 RCW, as amended.

Permit Fees

The Department of Ecology, in response to the passage of Initiative 97 in 1988, has adopted a regulation to recover costs associated with issuing and administering wastewater discharge permits (Chapter 173-224 WAC).

The annual fee for both industrial and municipal/domestic discharges is computed according to the permit fee schedules contained in WAC 173-224-040. We notify permit holders of fee charges by mailed billing statements. Failure to pay the applicable permit fee may result in the suspension or revocation of the permit, and could result in the issuance of civil penalties or actions to enjoin the activity under the permit.
