Re: State Waste Discharge Permit Renewal Application  
Permit No. ST0045524

Dear Mr. Gilmore:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on October 29, 2019 and accepted as complete on October 31, 2019.

Your current SWD permit has an expiration date of December 31, 2019. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-216-070, if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the permit process, please contact Biniam Zelelow at (425) 649-7127 or Email at [biniam.zelelow@ecy.wa.gov](mailto:biniam.zelelow@ecy.wa.gov)

Sincerely,

Tricia Miller
