King County, WLRD, Erik Peters, 201 S Jackson St Ste 600 Seattle, WA 98104-3854, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Lower Russell Levee Setback - Phase 2, is located between S. 212th St and S. 228th St, along Russell Road in Kent in King County.

This project involves 43.6 acres of soil disturbance for Utilities, Other (levee, park, habitat) construction activities.

Some discharges and runoff goes to ground water. The receiving waterbodies are Green River, Green River Natural Resources Area, Wetland.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
