RE: Factual Review of Draft Fact Sheet and Permit for Permit No. St0009275 for Ste. Michelle Wine Estates – Canoe Ridge Estate Winery

Dear Cindy Huwe:

On behalf of Ste. Michelle Wine Estates, I am requesting a two-week extension to provide comments or concerns to the Department of Ecology pertaining to the referenced Fact Sheet and Draft Permit. Supporting our operations in response to the COVID-19 pandemic has prevented sufficient time to adequately review these important documents. The original due date was March 30, 2020 and we respectfully request an extension to April 13, 2020. We would appreciate the Department of Ecology granting this extension. Thank you for your consideration in this matter.

Sincerely,
