

Water Quality Program

Permit Submittal Electronic Certification

Permittee: Farwest Fabricators

Permit Number: WAR001307

Site Address: 7537 POSTMA RD
MOXEE, WA 98936-9706

Submittal Name: 2019 Annual Report (covers 2019 calendar year)

Version: 1

Due Date: 5/15/2020

Comments: On December 14, 2017 FarWest Fabricators completed a bio-infiltration swale at the South end of the property which receives all the stormwater run-off that previously discharged to surface waters at drain "C". This drain has been sealed off and FarWest Fabricators no longer discharges any stormwater to surface waters of Washington State.

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
