Re: New State Waste Discharge Permit Application Permit No. ST 6265, Applied Plant Science

Dear Nate Nemphill:

Thank you for submitting an application for a new state waste discharge permit. The Department of Ecology (Ecology) acknowledges receiving the application on April 20, 2020, and an initial review shows that your application is complete. Jacek Anuszewski has been assigned to review and approve your application.

Before Ecology can begin the final review and approval of the application, we need to collect a permit application fee. Enclosed is an application fee invoice. If you have questions about these fees, please visit our permit fee website at: [Water Quality Permit Fees at https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees](https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees). If you have fee related questions, please contact our Fee Unit at [wqfee\\_unit@ecy.wa.gov](mailto:wqfee_unit@ecy.wa.gov) or by phone at 800-633-6193.

Once Ecology receives the application fee, we will complete the application review. We may send you a temporary permit which will allow you to discharge until we draft a final permit.

If you have any questions about our review of the application or the permitting process, please contact Jacek Anuszewski at [jacek.anuszewski@ecy.wa.gov](mailto:jacek.anuszewski@ecy.wa.gov) or by phone at 360-407-6288.

Sincerely,
