RE: Application for Renewal of National Pollutant Discharge Elimination System (NPDES)
Permit No. WA0001007, Graymont Western US Inc

Dear Keith Wiggs:

We hereby acknowledge receipt of the above-referenced application on March 20, 2020. This application is hereby accepted. Your current NPDES permit has an expiration date of September 30, 2021.

The current permit and its terms and conditions are hereby administratively extended and will remain in effect and enforceable until Ecology issues a new permit for your facility, in accordance with the Washington Administrative Code 173-220-180(5).

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Graymont Western US Inc must provide any additional information Ecology may request in a timely manner.

If you have any questions regarding this letter, please contact me at John.Diamant@ecy.wa.gov or by phone at 360-407-6289.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Diamant", is written over a light blue horizontal line.
