Re: State Waste Discharge Permit No. ST0005174

Dear John Lenz:

We have enclosed a draft state waste discharge permit for your review. Please read the draft permit carefully and submit your comments as soon as possible to Chris Martin.

State law requires the circulation and publication of notices which describe the proposed issuance, renewal or extension of permits. This is intended to allow the public to be aware of and comment on such actions.

Enclosed is a copy of the public notice that will be published in the Everett Herald on December 22, 2020. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices for this geographic area.

The Department shall provide a period of not less than thirty (30) days following the date of the public notice during which time interested persons may submit their written views on the final draft permit. You may submit additional comments on the final draft permit throughout the duration of the public comment period.

If you have questions regarding the draft permit, please contact Chris Martin at (425) 649-7110 or Email at chris.martin@ecy.wa.gov

Sincerely,
