**RE: Public Notice of Modification of Coverage under the Fresh Fruit Packing General Permit for Piepel Land Holdings – Piepel Premium Fruit Storage, Permit Number WAG435289**

Dear Tony Walton:

This is to acknowledge receipt, by the Department of Ecology on January 21, 2021 of the change in operations modification of coverage under the Fresh Fruit Packing General Permit for the above-referenced facility, as required by Chapter 90-48 RCW, and Chapter 173-226 WAC.

State Water Pollution Control laws require the publication of a legal public notice for modification of coverage. This will give the public a chance to be aware of, and comment on Ecology's decision regarding this modification.

Enclosed is a copy of the public notice which **you are responsible for publishing**. Please review it for accuracy and notify me immediately if you find any errors. If it is correct, **publish this notice once each week, on the same weekday, for two consecutive weeks, in the legal section of the Wenatchee World (509-664-7121 or [legals@wenatcheeworld.com](mailto:legals@wenatcheeworld.com))**. **The permittee shall pay for the publication of this notice**. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices.

Please email the **notarized Affidavit of Publication** to [cynthia.huwe@ecy.wa.gov](mailto:cynthia.huwe@ecy.wa.gov). This Affidavit of Publication must be received by this office before this coverage can be authorized under the Fresh Fruit Packing General Permit.

Should you have any questions about the process, please feel free to call me at 509/379-3723 or Marcia Porter, Fresh Fruit Packing General Permit Manager with technical questions or assistance with the details of the application at 509/406-6624 or [marcia.porter@ecy.wa.gov](mailto:marcia.porter@ecy.wa.gov).
