Re: National Pollutant Discharge Elimination System (NPDES) Permit Modification
Permit No. WA0030805; Brooks Manufacturing Company

Dear Shannon Terrell:

The permit issued to your facility on December 9, 2020 is modified as of this date in the following particulars:

- Summary of Permit Report Submittals: The first due date for S10.A and S11.A, Acute and Chronic toxicity testing, is changed from November 15, 2021 to November 15, 2023.
- Clarification language added in the toxicity sections, S10 and S11, of the permit.

Enclosed is the modified permit and addendum to the fact sheet. Please replace your existing permit with the enclosed modified permit. If you should have any questions, please contact Jeanne Tran at (425) 649-7078 or by email at jeanne.tran@ecy.wa.gov.

Sincerely,

A handwritten signature in black ink that reads "Rachel McCrea". The signature is fluid and cursive, with the first name "Rachel" being more prominent than the last name "McCrea".

Rachel McCrea
Water Quality Section Manager
Northwest Regional Office
