

Hinton Development Corp., Joe Melo, 14010A NE 3rd Ct Ste 106 Vancouver, WA 98685-4043, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Woodland Creek Subdivision, is located at 2336 Lewis River Rd in Woodland in Cowlitz County.

This project involves 25.67 acres of soil disturbance for Residential construction activities.

The receiving waterbody is Robison Creek.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:
