Dear Lucas Pappas:

The Washington State Department of Ecology (Ecology) received your Transfer of Coverage form for coverage under the Construction Stormwater General Permit. Our records have been updated to show Southern Road & Bridge, LLC as responsible for permit coverage effective January 6, 2021. **Please retain this transfer of permit coverage letter with your Stormwater Pollution Prevention Plan (SWPPP) and site log book. These materials are the official record of permit coverage for your site.**

Ecology has approved use of electronic formats as long as they are easily produced on your construction site. A mobile friendly copy of the CSWGP permit, permit forms, and information related to your permit can be viewed and downloaded at www.ecology.wa.gov/eCoverage-packet. Please contact your Permit Administrator, listed below, if you would like to receive a hard copy of the CSWGP.

Please take time to read the entire permit and contact Ecology if you have any questions.

Electronic Discharge Monitoring Reports (WQWebDMR)

This permit requires that Permittees submit monthly discharge monitoring reports (DMRs) electronically using Ecology's secure online system, WQWebDMR. To sign up for WQWebDMR go to www.ecy.wa.gov/programs/wq/permits/paris/webdmr.html. If you have questions, contact the portal staff at (360) 407-7097 (Olympia area), or (800) 633-6193/option 3, or email WQWebPortal@ecy.wa.gov.
