This letter is to confirm that Boundary Fish Company has not reported the monthly monitoring records since January of 2020 for the following reasons:

- Boundary Fish Company was closed due to Covid-19 from March of 2020 to December of 2020.
- For all other months that Boundary Fish Company was open, there was no activity/fish processing that required monitoring.

If there are any questions or concerns, please feel free to contact Arnold Yuki/General Manager directly at 360-220-5531.

Thank You,

Henry Yuki  
President
