Re: Cancellation of State Waste Discharge Permit No. ST0501301

Dear Henry Yuki:

The Department of Ecology has received information and has verified that Boundary Fish Company, Inc. (Boundary Fish) no longer needs state waste discharge permit no. ST0501301. Therefore, the permit is cancelled effective March 23, 2021.

This cancellation in no way relieves Boundary Fish from obligations associated with prior enforcement actions, permit fees, or local requirements. The City of Blaine may require Boundary Fish to apply for a new state waste discharge permit if Boundary Fish is causing persistent operating problems for the City of Blaine wastewater treatment plan.

If you have any questions regarding this cancellation, please contact Maia Hoffman at (425) 649-7127 email at [maia.hoffman@ecy.wa.gov](mailto:maia.hoffman@ecy.wa.gov).

Sincerely,
