**RE: ISGP 2020 4th Quarter Discharge Monitoring Report - Warning Letter**

Dear Michael Kautzman:

Your facility is covered under the Washington State Department of Ecology's (Ecology) Industrial Stormwater General Permit (permit). This permit requires you to sample the stormwater discharge(s) from your facility and report the results to Ecology on a Discharge Monitoring Report (DMR). You must submit DMRs once per quarter, even if there are no discharge(s) from your facility.

**According to Ecology's records, you have not submitted the 4th Quarter 2020 DMR. This DMR was due on February 15, 2021. Please submit your 4th Quarter 2020 DMR through the WQWebDMR Portal within 30 days of receiving this letter.**

To find out more information regarding electronic reporting and to sign up for WQWebDMR go to <http://www.ecy.wa.gov/programs/wq/permits/paris/portal.html>.

If you have questions about how to register for WQWebDMR or on how to sign in to the portal, contact Ecology's WQWebDMR staff at [WQWebPortal@ecy.wa.gov](mailto:WQWebPortal@ecy.wa.gov) or (360) 407-7097 (Olympia area), or (800) 633-6193/ option 3.

If you believe this letter is in error, need assistance, or if you are unable to submit DMRs electronically, please contact Clay Keown at [clay.keown@ecy.wa.gov](mailto:clay.keown@ecy.wa.gov) or (360) 480 – 3353.
