**RE: Application Acceptance for Renewal of State Waste Discharge Permit No. ST0006074
Cowlitz County Landfill**

Dear Director Moss:

We hereby acknowledge receipt of the above-referenced application on October 29, 2020. This application is hereby accepted. Your current State Waste Discharge permit had an expiration date of June 30, 2016.

The current permit and its terms and conditions will be administratively extended on June 30, 2021 if Ecology fails to issue a new permit by the expiration date and will remain in effect and enforceable until Ecology issues the new permit for your facility.

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Cowlitz County must provide any additional information Ecology may request in a timely manner.

If you have any questions regarding this letter, please contact me at Hiro.Kusakabe@ecy.wa.gov or by phone at 360-407-6286.

Sincerely,
