**RE: Application Acceptance for Renewal of State Waste Discharge Permit No. ST0006049  
Rainbow Valley Landfill**

Dear Larry Bale:

We hereby acknowledge receipt of the above-referenced application on September 27, 2020. This application is hereby accepted. Your current State Waste Discharge permit had an expiration date of March 31, 2017.

The current permit and its terms and conditions will be administratively extended on March 31, 2022 if Ecology fails to issue a new permit by the expiration date and will remain in effect and enforceable until Ecology issues the new permit for your facility.

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Rainbow Valley Landfill, Inc. must provide any additional information Ecology may request in a timely manner.

If you have any questions regarding this letter, please contact me at [Hiro.Kusakabe@ecy.wa.gov](mailto:Hiro.Kusakabe@ecy.wa.gov) or by phone at 360-407-6286.

Sincerely,

Permit Manager | Environmental Engineer  
Water Quality Program
