Dear Duke Fisher:

The Washington State Department of Ecology (Ecology) received your request to transfer permit coverage under the Construction Stormwater General Permit (CSWGP). Our records have been updated to show Chad Fisher Construction as responsible for permit coverage effective February 23, 2021.

Retain this letter as an official record of permit coverage for your site. You may keep your records in electronic format if you can easily access them from your construction site. You can get the CSWGP, permit forms, and other information at [www.ecology.wa.gov/eCoverage-packet](http://www.ecology.wa.gov/eCoverage-packet). Contact your Permit Administrator, listed below, if you want a copy of the CSWGP mailed to you. Please read the permit and contact Ecology if you have any questions.

**Electronic Discharge Monitoring Reports (WQWebDMR)**

This permit requires you to submit monthly discharge monitoring reports (DMRs) electronically using Ecology's secure online system, WQWebDMR. To sign up for WQWebDMR go to [www.ecology.wa.gov/programs/wq/permits/paris/webdmr.html](http://www.ecology.wa.gov/programs/wq/permits/paris/webdmr.html). If you have questions, contact the portal staff at (360) 407-7097 (Olympia area), or (800) 633-6193/option 3, or email [WQWebPortal@ecy.wa.gov](mailto:WQWebPortal@ecy.wa.gov).

**Annual Permit Fees**

RCW 90.48.465 requires Ecology to recover the costs of managing the permit program. Permit fees are invoiced annually until the permit is terminated. Termination conditions are described in the permit. For permit fee related questions, please contact the Water Quality Fee Unit at [wqfee\\_unit@ecy.wa.gov](mailto:wqfee_unit@ecy.wa.gov) or (800) 633-6193, Option 2.

**Ecology Field Inspector Assistance**
