Dear Lisa Hendriksen:

We sent a copy of your draft permit and fact sheet to you on January 13, 2021, for factual review. The enclosed draft permit and fact sheet includes the factual changes that we made (if any) following your 15-day review.

Enclosed is a copy of the public notice that will appear in the *Daily News* within the next few days, depending on the publishing frequency.

Please review this new draft permit and fact sheet and submit comments on either factual or substantive issues within 30 days of the date of publication of the public notice. Following the 30-day comment period, the Department of Ecology will review all pertinent comments and take appropriate action.

If you have questions on the permit and fact sheet, or if you would like to meet with us to review the permit, please contact Hiro Husakabe at hiro.kusakabe@ecy.wa.gov, or by phone at (360) 810-1340 (cell).

Sincerely,
