Re: National Pollutant Discharge Elimination System (NPDES)  
Permit No. WA0991040; Overlake Retail Shops Former Sears Auto #6119

Dear Eric Silvers:

Thank you for submitting an application for a new NPDES permit. The Department of Ecology (Ecology) acknowledges receiving the application on December 29, 2020 and was accepted as complete on January 11, 2021.

State law requires the circulation and publication of notices which describe the proposed issuance of NPDES permits. This is intended to allow the public to be aware of and comment on such actions. Attached is a copy of the public notice that will be published in the Seattle Times on April 26 and May 3, 2021. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices for this geographic area. Another public notice will be published when the draft permit has been prepared.

If you have any questions about the status of your permit, please contact Jeanne Tran at (425)649-7078 or email at [jeanne.tran@ecy.wa.gov](mailto:jeanne.tran@ecy.wa.gov)

Sincerely,

A handwritten signature in cursive script that reads "Tricia Miller".
