

Goodwill Industries of Columbia, Ken Gosney, 815 N Kellogg St Ste A Kennewick, WA 99336-8007, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Goodwill Industries, is located at 1017 NE C St in College Place in Walla Walla County.

This project involves approximately 2.5 acres of soil disturbance for Commercial construction activities.

All discharges and runoff will enter a treatment BMP before infiltrating to ground water.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
