RE: Eastern Washington University (EWU) - State Waste Discharge Permit Number ST0008098
Sewer Improvements Project and Specifications

Dear Mr. Schmedding:

The Department of Ecology (Ecology) has reviewed and APPROVES the EWU Sewer Improvements Project and Specifications dated April 1, 2016 and received by this office on April 4, 2016. This approval is in accordance with RCW 90.48.110 and Chapter 173-240 WAC.

EWU must notify this office immediately of any proposed changes or revisions to the approved documents. EWU must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved package of documents to Ecology for review and approval. Additionally, EWU must maintain copies of the approved engineering report, plans and specifications, operations and maintenance manual, permit, and Discharge Monitoring Reports (DMRs) on-site at your facility in Cheney, Washington.

Ecology's review and approval of these documents only assures compliance and consistency with the appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. EWU should not consider this approval as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Vijay Kubsad at (509) 329-3473 or vkub461@ecy.wa.gov if you have any questions.

Sincerely,

James M. Bellatty
Section Manager
