RE: **WARNING LETTER:** ZYK Enterprise; ST0003974

Dear Zeeshan Qazi:

The Department of Ecology (Ecology) does not have record of receiving Discharge Monitoring Reports (DMRs) from your facility for the following monitoring periods:

<u>MONITORING DATE</u>	<u>YEAR</u>	<u>STATUS</u>
November	2020	Not Submitted
December	2020	Not Submitted
4 <sup>th</sup> Quarter	2020	Not Submitted
Biannual (July-Dec)	2020	Not Submitted
Annual (Jan-Dec)	2020	Not Submitted

Your permit requires you to submit DMRs to Ecology even if you had no discharge.

Failure to submit DMRs is a violation of your permit special condition S10.A.2. Please submit the missing DMRs after receiving this letter.

The DMR is the principal tool used to evaluate compliance with permit requirements. Ecology places great importance on timely submittal of complete and accurate DMRs. Failure to comply with the conditions of your permit could result in Ecology taking formal administrative enforcement action, including issuing orders and penalties.

Recently updated guidance on reporting can be found on the Ecology Water Quality Permitting Portal (WQWebPortal) online at <http://ecyapwq/wqwebportal/> under **System Messages**.

If you have any questions please e-mail me at [csmi461@ecy.wa.gov](mailto:csmi461@ecy.wa.gov).

Sincerely,

Chris Smith  
Compliance Specialist  
Water Quality Section
