### II. Site Location/Address

Site name: PSE Kent Substation Operations	Total area of soil disturbance for your site/project: 6.18 acres	
Street address (or location description): 8001 S 212th Street		
City (or nearest city): Kent	County: King	Zip: 98057

### III. Construction Activity

The site is eligible for termination by one of the following methods:

☐ Construction was never started.

☒ The site has undergone final stabilization. (*Permit Condition S10.A.1*. See instructions for definition.)

☐ Permit coverage on all portions of the site that have not undergone final stabilization (*Permit Condition S10.A.1*) are being, or have been, transferred (*Permit Condition G9*), and the Permittee no longer has operational control of the construction activity.

We provided the new owner Transfer of Coverage form on: (date)

Please provide new owner contact info:

☐ All portions of the site that have not undergone final stabilization (*Permit Condition S10.A.1*) have been sold and the Permittee no longer has operational control of the construction activity. We will not be submitting Transfer of Permit coverage paperwork. (Optional).

Please provide new owner contact info:

### IV. Certification of Permittees

Please read the certification statement carefully before signing.

"I certify under penalty of law that all stormwater discharges associated with construction activity from the identified site that are authorized by the National Pollutant Discharge Elimination System (NPDES) and State Waste Discharge general permit have been eliminated, or that I no longer own or operate on this site. I understand that by submitting this Notice of Termination that I am no longer authorized to discharge stormwater associated with construction activity by the general permit, and that discharging pollutants in stormwater to waters of the state of Washington is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit. I also understand that the submittal of this Notice of Termination does not release the permittee from liability for any violations of this permit or the Clean Water Act."
