Re: State Waste Discharge Permit Renewal Application; Permit No. ST0007380

Dear Mr. McCaslin:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on May 13, 2021 and June 10, 2021. The application was accepted as complete on June 10, 2021.

Your current SWD permit has an expiration date of June 30, 2021. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-216-070, if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the current status of your new permit, please contact Maia Hoffman at (206) 594-0160 or Email at maia.hoffman@ecy.wa.gov

Sincerely,

A handwritten signature in black ink, appearing to read "Tricia Miller".
