Re: Application for Renewal of State Waste Discharge Permit No. ST 5037, Ascensus Specialty Chemicals LLC

Dear Randal Reed:

We hereby acknowledge receipt of the above-referenced application on November 2, 2020. This application is hereby accepted. Your current State Waste Discharge Permit has an expiration date of May 31, 2022.

The current permit and its terms and conditions will be administratively extended on June 1, 2022, and will remain in effect and enforceable until May 31, 2027, or when the Department of Ecology (Ecology) issues a new permit for your facility, in accordance with Washington Administrative Code (WAC) [173-220-180\(5\)](#).

All Permittees must reapply for permits every five years [[40 Code of Federal Regulations \(CFR\) 122.46\(a\)](#), Revised Code of Washington (RCW) [90.48.180](#)].

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Azcensus Specialty Chemicals LLC must provide any additional information Ecology may request in a timely manner.

If you have any questions regarding this letter, please contact me at azizullah.mahar@ecy.wa.gov or by phone at (360) 407-6290 (office) or (360) 763-2787 (cell).

Sincerely,

Azizullah Mahar
