Statewide Operation: Submit a notification form ten days before beginning operation at a new site. You must comply with permit conditions at *each* site of operation. Once you have ceased all portable activities, removed the portable equipment, and restored the site; submit a notice of completion form.

Notification forms are available online at <http://ecology.wa.gov/Regulations-Permits/Permits-certifications/Sand-Gravel-General-Permit> or by request from your regional Ecology office at (509) 329-3567.

Discharge Information: Process water and stormwater discharges to groundwater or surface consistent with permit limits and conditions.
