The Washington State Department of Ecology (Ecology) received your request to transfer permit coverage under the Construction Stormwater General Permit (CSWGP). Our records have been updated to show Ferguson Construction, Inc. as responsible for permit coverage effective June 21, 2021.

Retain this letter as an official record of permit coverage for your site. You may keep your records in electronic format if you can easily access them from your construction site. You can get the CSWGP, permit forms, and other information at www.ecology.wa.gov/eCoverage-packet. Contact your Permit Administrator, listed below, if you want a copy of the CSWGP mailed to you. Please read the permit and contact Ecology if you have any questions.
