Re: State Waste Discharge Permit Renewal Application
Permit No. ST0007316; Artisan Finishing Systems, Inc.

Dear Wally Thomas:

We have enclosed a draft state waste discharge permit for your review. Please read the draft permit carefully and submit your comments as soon as possible to Maia Hoffman.

State law requires the circulation and publication of notices which describe the proposed issuance, renewal or extension of permits. This is intended to allow the public to be aware of and comment on such actions.

Enclosed is a copy of the public notice that will be published in the Everett Herald on August 25, 2021. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices for this geographic area.

The Department shall provide a period of not less than thirty (30) days following the date of the public notice during which time interested persons may submit their written views on the final draft permit. You may submit additional comments on the final draft permit throughout the duration of the public comment period.

If you have questions regarding the draft permit, please contact Maia Hoffman at (425) 507-5681 or Email at maia.hoffman@ecy.wa.gov

Sincerely,

A handwritten signature in black ink, appearing to read "Tricia Miller".
