Re: Combined Water Pollution Prevention Plan - Review and Submittal

Dear Ms. Tran:

This notice is being sent to you per Nucor Steel's NPDES Permit # WA-0031305.

In the past year, a minor changes were performed to the Combined Spill and Stormwater Pollution Prevention Plan.

- On August 18th, we updated our spill history section 2.5 to contain the previously reported 18 November 2020 minor spill.
- On August 18th, we updated Appendix 3 with submitted 18 November 2020 spill letter

A copy of the current, updated Combined Water Pollution Prevention Plan is provided.

Please call Christopher Norman at 206-933-2223 or myself at 206-933-2238 if you have any questions or comments.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Patrick Jablonski', is written over a horizontal line.
