Re: National Pollutant Discharge Elimination System (NPDES)
City of Langley Wastewater Treatment Plant; Permit No. WA0020702

Dear Randi Perry:

We have enclosed a draft NPDES wastewater discharge permit for your review. Please read the draft permit carefully and submit your comments as soon as possible to Madison Diaz.

State law requires the circulation and publication of notices which describe the proposed issuance, renewal or extension of NPDES permits. This is intended to allow the public to be aware of and comment on such actions.

Enclosed is a copy of the public notice that will be published in the South Whidbey Record/Whidbey News Times on September 4, 2021. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices for this geographic area. The Department shall provide a period of not less than thirty (30) days following the date of the public notice during which time interested persons may submit their written views on the final draft permit.

You may submit additional comments on the final draft permit throughout the duration of the public comment period. If you have any questions, please contact Madison Diaz at (425) 495-1777 or Email at madison.diaz@ecy.wa.gov

Sincerely,

A handwritten signature in cursive script, appearing to read "Tricia Miller".
