Re: State Waste Discharge Permit Renewal Application; Permit No. ST0007332

Dear Steve Gemperle:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on September 28, 2021. The application has been reviewed and been accepted as complete.

Your current SWD permit has an expiration date of September 30, 2021. Renewal of the permit is in process; however, the permit will not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-216-070, if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the current status of your new permit, please contact Monika Kannadaguli at (206) 594-0144 or Email at [monika.kannadaguli@ecy.wa.gov](mailto:monika.kannadaguli@ecy.wa.gov)

Sincerely,

A handwritten signature in black ink that reads "Tricia Miller".
