General Manager  
Fishing Vessel Owners Marine Ways, Inc.  
1511 W Thurman  
Seattle, WA 98119

Dear General Manager:

The Washington State Department of Ecology understands that Fishing Vessel Owners Marine Ways, Inc. (FVO) is under new management. FVO operates under a State-issued Individual NPDES Shipyard permit, WA0031062, which conditions activities and discharges from the marine ways to Salmon Bay and stormwater discharges from the facility to groundwater.

FVO is obligated to follow the conditions within the permit, and is required to monitor their discharges and report quarterly using the State's Water Quality Portal (<http://ecyapwq/wqwebportal/>). Even if there is no active work being done, FVO still has responsibilities for monitoring stormwater discharges.

The Permit can be transferred from FVO to a new owner/operator using this form:

<https://apps.ecology.wa.gov/publications/summarypages/ecy070164.html> I have also enclosed the hard copy of the form with this letter. This form, when completed and signed by both parties and approved by Ecology, transfers an Individual NPDES Permit to a new owner/operator. If FVO is not willing to sign the form, the new owner/operator should apply for their own permit 6 months prior to the date they plan to start discharging.

Permit, Fact Sheet and related documents are available online:

<https://apps.ecology.wa.gov/paris/PermitDocumentSearch.aspx?PermitNumber=WA0031062>

Please contact your facility permit manager, Robert (Bobb) Nolan, at 206-594-0166 / [robert.nolan@ecy.wa.gov](mailto:robert.nolan@ecy.wa.gov), for additional information at your earliest convenience.

Thank you,

Tricia Miller  
Permit Coordinator
