Re: National Pollutant Discharge Elimination System (NPDES)  
Permit No. WA0024074; City of Mount Vernon Wastewater Treatment Plant

Dear Gary Duranceau:

The Washington State Department of Ecology (Ecology) acknowledges receiving a NPDES permit renewal application for the City of Mount Vernon Wastewater Treatment Plant on October 7, 2021. The application has been reviewed and accepted as complete on October 19, 2021.

Your current NPDES permit has an expiration date of February 28, 2022. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. If your new permit is not issued and effective by the current permit's expiration date, then the current permit and its terms and conditions are administratively extended and will remain in effect and enforceable until Ecology issues a new permit and it becomes effective for your facility, in accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-220-180(5).

If you have any questions regarding the development of your renewal permit, please contact Kevin Leung at (206) 594-0168 or Email at [kevin.leung@ecy.wa.gov](mailto:kevin.leung@ecy.wa.gov)

Sincerely,

A handwritten signature in black ink, appearing to read "Tricia Miller".
