RE: Draft State Waste Discharge Permit No. ST0009236 for Puget Sound Energy – Goldendale Generating Station

Dear Gerald Klug:

Enclosed for your review is your revised draft NPDES Permit and Fact Sheet which Ecology proposes to issue for your facility. The documents contain changes from the factual review copy. A draft permit and fact sheet were sent to you on **November 16, 2021**, for your preliminary review.

Please review these documents to insure that you understand and agree will all conditions. Your written comments must be submitted no later than **January 24, 2022**, to be considered in the formulation of final determinations regarding the draft permit. Comments should be sent to: traci.gefre@ecy.wa.gov or Traci Gefre, Department of Ecology, Central Regional Office, 1250 West Alder Street, Union Gap, WA 98903-0009.

State Water Pollution Control laws require the publishing of a Public Notice which describes the discharge for any new or existing operation. This is to give the public a chance to be aware of, and comment on the draft permit and fact sheet. Enclosed is a copy of the public notice of draft permit describing your wastewater treatment discharge. The Department of Ecology will publish this notice in the "Legal Classified Section" of the **Goldendale Sentinel** on **December 22, 2021**. Please review the enclosed notice and contact me **immediately** if you find any errors.

Should you have questions regarding this process or the content of the fact sheet or permit should be directed to Traci Gefre at 509/731-0513 or traci.gefre@ecy.wa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Huwe".

Cindy Huwe
