Re: National Pollutant Discharge Elimination System (NPDES) Permit Modification
Permit No. WA0021130 – City of Granite Falls Wastewater Treatment Plant

Dear Brent Kirk:

We have enclosed the modified NPDES permit and addendum to the fact sheet. The permit and fact sheet will be modified as shown. Please read the modified permit and fact sheet addendum carefully and submit your comments as soon as possible to Kevin Leung.

Enclosed is a copy of the public notice published in the Everett Herald on January 5, 2022. A similar notice will be mailed from this office to agencies, groups and individuals that have requested such notices for this geographic area.

The Department shall provide a period of not less than thirty (30) days following the date of the publication of the public notice during which time interested persons may submit their written views on the final modified draft permit. You may submit additional comments on the final modified draft permit throughout the duration of the public comment period.

If you have questions regarding the modification, please contact Kevin Leung at (206) 594-0168 or by email at kevin.leung@ecy.wa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Tricia Miller".
