Re: Anacortes Wastewater Treatment Plant (NPDES Permit No. WA0020257)  
WWTP Outfall Relocation – Marine Phase  
Approval of Plans and Specifications

Dear Fred Buckenmeyer:

The City of Anacortes (City) submitted the following Plans and Specifications documents to the Department of Ecology in electronic format for review and approval:

- City of Anacortes WWTP Outfall Relocation – Marine Phase, Plans, dated April, 2021 (prepared by Cosmopolitan Engineering, Bright Engineering, Inc., and HDR, Inc.)
- City of Anacortes WWTP Outfall Relocation – Marine Phase, Construction Documents Project Manual, dated April 2021 (prepared by Cosmopolitan Engineering, Bright Engineering, Inc., and HDR, Inc.)

Ecology also received the Addendum No.1 to No.8 to the above documents. In accordance with the Revised Code of Washington (RCW) 90.48.110 and Chapter 173-240 Washington Administrative Code (WAC), Ecology APPROVES the above-referenced documents. An approved copy of the documents will be kept on file at Ecology. A copy of the approved title pages are enclosed for your records.

Nothing in this approval shall be construed as satisfying other applicable federal, state or local statutes, ordinances or regulations. This review and approval is limited to assuring compliance with the State water quality laws and regulations listed above. This review and approval does not cover the structural or electrical design elements of this project, nor does the State of Washington assume any liability for the proper engineering of this facility. This approval shall not relieve the City of Anacortes from any responsibilities or liabilities as a result of non-

compliance with the discharge permit during construction or in operation of facilities approved herein.

If you have any questions concerning this approval, please contact Kevin Leung at [kevin.leung@ecy.wa.gov](mailto:kevin.leung@ecy.wa.gov) or (206) 594-0168.

Sincerely,

A handwritten signature in cursive script that reads "Rachel McCrea". The ink is dark and the signature is fluid, with a long horizontal flourish extending from the end of the name.

Rachel McCrea  
Water Quality Section Manager
